About the State Examination & Hiring Process:

The first step in the State hiring process requires you to take a competitive examination for each separate permanent job classification. Examinations may be written, interview, or performance-based and are designed to test the knowledge and abilities required for the classification. After you take and pass a State examination, you are ranked and placed on an employment list for that classification. Once you are placed on the employment list, you can apply for job openings in that classification. For more information on the State examination and hiring process, visit our website at <http://www.dfg.ca.gov/hrb/pages/jobswithdfg.htm>

Remember, Examinations are Competitive

If you possess the entrance requirements stated on this bulletin, you may take this competitive examination; however, you aren't assured a place on the eligibility list. Your performance in the examination is compared with the performance of others who take this test. All candidates who pass are ranked according to their scores.

How Qualifications are Rated:

General Qualifications for all Examinations: Candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, ability to work cooperatively with others, and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required. In open examinations, investigation may be made of employment records and personal history and fingerprinting may be required.

Interview Scope: In addition to the scope described on this bulletin, the panel considers education, experience, personal development, personal traits, and fitness. In appraising experience, more weight is given to the breadth and recency of pertinent experience and evidence of the candidate's ability to accept and fulfill increasing responsibilities than to the length of his/her experience. Evaluation of a candidate's personal development includes consideration of recognition of his/her own training needs, plans for self-development; and the progress made in his/her efforts toward self-development.

Additional List Information:

Eligible Lists: Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) subdivisional promotional; 2) departmental promotional; 3) multi departmental promotional; 4) servicewide promotional; 5) departmental open; 6) open. When there are two lists of the same kind, the older must be used first.

Promotional Examinations Only: Competition is limited to employees who have a permanent civil service appointment. Under certain circumstances other employees may be allowed to compete under provisions of Rules 234, 235, and 235.2. State Personnel Board Rules 233, 234, 235, 235.2 and 237 contain provisions regarding civil service status and eligibility for promotional examinations. These rules may be reviewed at departmental personnel offices.

Miscellaneous Information:

High School Equivalence: Equivalence to completion of the 12th grade may be demonstrated in any one of the following ways: 1) passing the General Education Development (GED) Test; 2) completion of 12 semester units of college-level work; 3) certification from the State Department of Education, a local school board, or high school authorities that the candidate is considered to have education equivalent to graduation from high school; or 4) for clerical and accounting classes, substitution of business college work in place of high school on a year-for-year basis.

The Department of Fish and Game reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.
